ATTENTION!

All applicants are strongly encouraged to visit an enrollment center to have their fingerprints collected. Submitting a hard-card should be a last resort for either out of state applicants or home-bound applicants.

- Please be aware that submission of incorrect or invalid data, including but not limited to incorrect agency, fingerprint reason, or applicant demographic data, that results in the need to conduct a new fingerprint submission will be at the applicant's cost.
- Fingerprints submitted on hard-cards are typically of lower quality and often result in FBI rejections
- Processing of hard-card submissions takes significantly longer and will cause delays for you and your agency

Please confirm with your agency or organization that you are eligible to submit your fingerprints by hard-card.
